

Employee Surveys

InfinityHR's unique Survey Management feature provides you with the ability to effortlessly conduct employee surveys. Employees can easily fill out your surveys using InfinityHR's web-based system.

Key Features

- InfinityHR makes developing surveys quick and simple with **Survey Wizard**, your step-by-step guide through the entire process.
- Tailor one of the many templates in the **Survey Library**, or design an entirely new survey with a professional look and feel.
- Prior surveys can be easily duplicated, allowing for comparison of results year-over-year.
- Choose from 13 standard reply types, or create open-ended replies.
- Create personalized online survey invitations for employees, and select which employees to survey by employee type or department.
- Track in real time which employees have completed the survey, and send reminders to those who haven't.
- Survey Management makes surveys easy for employees to understand and complete.
- Produce unlimited surveys with unlimited questions for all employees utilizing our fast, efficient interface, which is an ideal medium for reaching employees wherever they may be.
- Utilize our easy-to-use, real time **Survey Reports** to view data and analyze results.
- Standardized professional survey reports include summary reports, graphical reports, and detail reports.
- Or choose customizable reporting, or even export your survey results into Microsoft Excel for further analysis.

Key Benefits

- Allows you to understand the needs and concerns of your employees.
- Provides you with the opportunity to increase employee loyalty and satisfaction.
- Helps promote a strong employee-management relationship, and satisfied and motivated employees positively influence customer satisfaction and company performance.
- Are an important tool in measuring management effectiveness, and they allow you to make well-informed decisions.
